Dear Supporter:

I'm writing to express our sincere thanks for your participation and generosity in helping make our annual golf tournament another great success. With your help, we continue to provide valuable support to others in our community. The beneficiaries of your generosity are truly grateful! This year we are able to share close to \$12,000 with Sr. Thea Bowman Catholic School and Catholic Urban Programs (Joe Hubbard) in East St. Louis.

Since 2007, we have raised in excess of \$100,000 for the benefit of numerous charitable groups and organizations in our community. Additional beneficiaries of your generosity over the years have included Holy Family Catholic School in Cahokia, Holy Angels Shelter (Catholic Urban Programs), Society of St. Vincent de Paul, Catholic Day Care Center in East St. Louis and the Christian Activity Center in East St. Louis.

We look forward to seeing you again next year. God bless you and your family!
