*Still doing well in Arizona. My wife Sandy and I walk in a nearby park every morning for about an hour. In our younger days we hiked in the mountains. We ride our bikes in the late afternoon unless its over 105F which it is frequently. I am still asked occasionally by one of my old consulting engineering clients to do some engineering design and analysis work. Sandy doesn't understand why someone would pay me to do an analysis for them since I'm a worthless old man who can't do anything right. I look forward to our HS reunion. I really enjoy them and haven't missed one yet. Thanks to the committee for organizing them.*

# Unofficial Words

Beer, Beer for old (Central/Assumption) High  
You bring the whiskey I'll bring the rye  
Send the loyal freshmen out for gin  
And don't let a sober sophomore in.  
Junior's may stagger Senior's may fall  
But we'll sober up on wood alcohol.  
Loyal kids of Assumption High,  
Stagger back to the bar for more!
